Figcheldean, Salisbury SP4 8JT

Robin's Way School is a new and dynamic learning environment dedicated to enhancing the lives of children aged 7–11.

We specialise in supporting pupils with social, emotional, and mental health needs, as well as other learning challenges. Our inclusive approach embraces children of all abilities and backgrounds, with a strong focus on fostering emotional intelligence as a foundation for learning.

Our bespoke and balanced curriculum is designed to help each child grow into a confident, creative, and well-rounded individual.

We place a strong emphasis on literacy and numeracy, ensuring every child achieves their potential in line with National Curriculum standards. Alongside academic progress, we prioritise building self-esteem, communication skills, and a lifelong love of learning.

At Robin's Way School, we believe in helping every child thrive—academically, socially, and emotionally.

Welcome to Robin's Way

At Robins Way, we believe every child deserves a safe, nurturing, and inspiring place to grow. As a school dedicated to supporting primary-aged pupils with social, emotional, and mental health (SEMH) needs, we are proud to provide a caring environment where every child is seen, heard, and valued.

Our team is passionate about helping each learner develop the confidence, resilience, and skills they need to thrive-both in school and beyond. We celebrate every small step of progress and tailor our approach to support the individual journeys of our pupils.

As Headteacher, I am deeply committed to working alongside families, professionals, and our dedicated staff to ensure that Robins Way is not just a school, but a community where children can truly flourish.

Jemma Taylor,
Headteacher.

Clinical Offer

Robin's Way School offers a therapeutic educational approach with a staff team dedicated and determined to support every individual. As well as delivering the best possible education, we also have access to a clinical team who provide care and therapy to benefit our pupils.

Our team works with pupils, as well as their parents or carers, to agree on a support plan which will become part of their school life, enabling them to build on their strengths and increase their resilience.
